Dated: 13th April, 2015

Dear Shri *Goel,*

It gives me immense pleasure to inform you that the Chairperson and Members, CBDT have expressed their utmost appreciation for the efforts put in by Delhi Region for achievement (and exceeding) of budget collection targets for financial year 2014-15. In fact, it was pointed out by the Hon'ble Chairperson that Delhi was the only charge in the whole of India to achieve this singular distinction. As you are aware, achievement of budget collection targets not only enables the government to finance social welfare and economic growth programmes, but also reduces interest expenditure by reducing the need for borrowing. Therefore, exceeding of budget collection targets demonstrates the commitment of all the officers including members of your association.

I would like to place on record my sincere appreciation of the excellent contribution made by members of your association in achieving the Action Plan targets. I would further urge you to share this appreciation with members of your association and motivate them to keep up their performance in the current financial year also.

With best wishes,

Yours sincerely,
D.S. SAKSENA

Shri Ajay Kumar Goel,
